COURT LAUNCHES NEW HEARING REMINDER SERVICE

Issued: October 23, 2023

The Court is excited to announce a new Hearing Reminder Service. Individuals will be able to sign up for email and/or text reminders of upcoming court dates. The process is simple; individuals create an account and input a case number to register. The Hearing Reminder Service will then send email and/or text reminders two weeks before and two days before all future hearings in the case.

The advertisement features a hand holding a smartphone displaying the "Hearing Reminder Service (HRS)" app interface. The app screen shows the title "Hearing Reminder Service (HRS)" and the instruction "Schedule an E-Mail or Text Message Reminder for a Public Hearing". Below this is a "Schedule a Reminder" section with the text "Search for your case and receive reminders for all scheduled hearings." and a blue "Go" button. A notification bell icon with orange rays is overlaid on the top right of the phone screen. To the left of the phone, the text reads "The Superior Court of Lake County now offers a HEARING REMINDER SERVICE". At the bottom left, there is a QR code with a "SCAN ME" button below it.
